

23-24 Disbursement Dates

Below are the dates that financial aid will disburse/release from the state and federal governments respectively to be sent to the college.

Important to Notes:

- If you have C-term classes, or “stacked” classes (classes with different start dates spread throughout the term) then your disbursements will be split-up according to your respective enrollment schedule and will not necessarily coincide with the dates listed below.
- Disbursement dates are not refund dates. If refunds are due from a disbursement after charges are fully deducted, then you will need to be sure to allow up to 14 business days from the disbursement date for the funds to load in and any refund due from that portion to be processed out.
