Year and Semester Financial Aid was Suspended: _____

Is this your first financial aid appeal? (Check One) Yes ☐ No ☐

You are on Financial Aid Suspension due to not successfully completing courses with a cumulative GPA of 2.0 and/or due to not successfully completing 66.67% of all coursework attempted. Failing and Withdrawal grades do not count as successfully completing a course and therefore lower your cumulative GPA and/or Completion Rate. In order for you to be eligible to appeal the denial of aid, you must complete all of the following:

1. Provide a written/typed, detailed statement, signed by hand, and detailing all terms in your full academic history with GNTC in which you had failing/withdrawal grades. Your statement should explain any extenuating circumstance that prevented you from being able to maintain the minimum academic standards and what steps you will take moving forward to avoid those issues in the future.
2. Provide supporting documentation for the appropriate time frames that will justify your explanation.
3. Complete ["The Key Components to the Satisfactory Academic Progress \(SAP\) Financial Aid Appeal Process"](#), an online tutorial that is located under your academic progress in MyGNTC.
4. Print the page that indicates you have passed the tutorial and turn it in with your appeal form
(Use the "print this page" link on the "Congratulations" confirmation page).

Please allow a minimum of 2 weeks for appeals to be reviewed.

Your student email is the official form of communication for Georgia Northwestern Technical College. We will send you notification of the Committee's decision to your student email account. It is your responsibility to check your email account frequently for any information the Office of Financial Aid may send you.
