

Auto Collision Repair (ACR2)

Diploma eMap

This eMap, along with regular meetings with your program advisor and using DegreeWorks, will help you remain on track to finish your program as quickly as possible and graduate from Georgia Northwestern Technical College. This eMap is intended to be used when beginning the program in Fall semester. Starting the program in Spring or Summer semesters may alter the suggested courses or course availability. This pathway is based on the 2024-2025 academic year.

Please note: This eMap is designed with a Spring semester start and includes all specialization courses. Students are only required to select ONE specialization to complete the Diploma, however, based on the timing of specialization courses students can complete all specializations in four semesters. Page 2 of the eMap can be utilized if student prefers to complete one specialization.
