

Diesel Truck Maintenance Technician (DTM1)

Certificate eMap

This eMap, along with regular meetings with your program advisor and using DegreeWorks, will help you remain on track to finish your program as quickly as possible and graduate from Georgia Northwestern Technical College. This eMap is intended to be used when beginning the program in Fall semester. Starting the program in Spring or Summer semesters may alter the suggested courses or course availability. This pathway is based on the 2024-2025 academic year.

1 st set of suggested courses			
Course		Hours	Completed
DIET 1000	Introduction to Diesel Technology, Tools, and Safety	3	<input type="checkbox"/>
DIET 1010	Diesel Electrical and Electronic Systems	7	<input type="checkbox"/>
DIET 2020	Truck Drivetrains	4	<input type="checkbox"/>

DIET 1010 is the recommended course. Additional courses may be available to meet that requirement. See Course Catalog for more info. The courses in this set are offered in Fall semester only.
