

Emergency Medical Technician (EMT) (EMJ1)

Certificate eMap

This eMap, along with regular meetings with your program advisor and using DegreeWorks, will help you remain on track to finish your program as quickly as possible and graduate from Georgia Northwestern Technical College. This eMap is intended to be used when beginning the program in Fall semester. Starting the program in Spring or Summer semesters may alter the suggested courses or course availability. This eMap is based on the 2024-2025 academic year.

Total Credit Hours: 16 Minimum Credit Hours Required for Graduation

Emergency Medical Technician (EMT) Certificate Planning Notes:

- Classes for this Certificate are offered at the Catoosa County Campus, Floyd County Campus, and Gordon County Campus. Schedules may vary by campus.
- Students must submit an Eligibility Form request and be accepted into the Emergency Medical Technician Certification program.
- Students will need to take all courses as ordered in each set of suggested courses complete the program. Partial enrollment of courses is not permitted.
- All programs are 24/28 shift friendly.
- Students must attend a program specific orientation before the start of EMSP courses.

Fall/ Spring Course Offerings

- Fall program start – Catoosa offers program courses in the evenings. Floyd offers program courses during the day, which meets on a rotating 24/48 schedule.
- Spring program start - Courses follow the same suggested courses as Fall semester. Program is offered only at GCC in the evenings.

EMT Certificate / AEMT Certificate / PHEMS Certificate

- This pathway is to be used for students wishing to receive an EMT Certificate. Once a student starts the EMT program the program must be completed without any breaks.
- EMT students have the opportunity to continue into the AEMT program. To complete the EMT & AEMT programs during the same program path, students should follow the Pre-Hospital EMS Operations (PE01) Certificate eMap. Completing both the EMT & AEMT courses qualifies for the PHEMS Certificate.
- Students already certified as an EMT wishing to receive only the AEMT certificate should see the AEMT Certificate eMap.

Additional information for the Emergency Medical Technician Certificate program and program requirements can be found at [GNTC 2024-2025 Catalog](#).
