

Medical Assisting (MA23)

Associate of Applied Science eMap

This eMap, along with regular meetings with your program advisor and using DegreeWorks, will help you remain on track to finish your program as quickly as possible and graduate from Georgia Northwestern Technical College. This eMap is intended to be used when beginning the program in Fall semester. Starting the program in Spring or Summer semesters may alter the suggested courses or course availability. This eMap is based on the 2024-2025 academic year.

Medical Assisting Program Planning Notes:

- The Medical Assisting program requires a wait list application. Students may only apply when in the last semester of Pre-Occupational courses.
- The program accepts students twice a year
 - Fall on the Floyd County Campus and Walker County Campus.
 - Spring on the Floyd County Campus only. Students accepted in the Spring may have a slight variation to course sets.
- All math and science courses must be current within 5 years.

Additional information for the Medical Assisting AAS Degree and program requirements can be found at [GNTC 2024-2025 Catalog](#).

See page 2 for occupational curriculum.
