

Medical Coding (MC41)

Certificate eMap

This eMap, along with regular meetings with your program advisor and using DegreeWorks, will help you remain on track to finish your program as quickly as possible and graduate from Georgia Northwestern Technical College. This eMap is intended to be used when beginning the program in Fall semester. Starting the program in Spring or Summer semesters may alter the suggested courses or course availability. This eMap is based on the 2024-2025 academic year.

1 st set of suggested courses			
Course		Hours	Completed
ALHS 1011	Structure and Function of the Human Body	5	<input type="checkbox"/>

Total Credit Hours: 24 Minimum Credit Hours Required for Graduation

Medical Coding Certificate Program Planning Notes:

- Classes for this program are offered at all GNTC campuses (schedules may vary) and can be completed 100% online.
- Students who want to be a CPC Certified Coder will need to complete the Healthcare Billing and Coding Specialist (HBC1) Certificate.

Additional information for the Medical Coding Certificate and program requirements can be found at [GNTC 2024-2025 Catalog](#).
