Associate of Science in Nursing (ASN) eMap

This eMap, along with regular meetings with your program advisor and using DegreeWorks, will help you remain on track to finish your program as quickly as possible and graduate from Georgia Northwestern Technical College. This eMap is intended to be used when beginning the program in Fall semester. Starting the program in Spring or Summer semesters may alter the suggested courses or course availability. This eMap is based on the 2024-2025 academic year.

Please note: All pre-occupational curriculum must be completed by the end of the Spring semester prior to the Fall semester student would like to enter the program. Cohorts begin the program in Fall semester only. All students interested in the ASN Program must attend a mandatory group advisement session once they have officially been accepted by the college and have chosen Nursing (for more info see [RN Department Website](#)).

Nursing (ASN) Admission Notes:

Admission Requirements

All applicants to the PN program must meet the following requirements:

- 1) Be 17 or more years of age.
- 2) Be an officially accepted and current student with the college.
- 3) Contact Michelle Sevy-Spears, msevy@gntc.edu, to be assigned an RN program advisor.
- 4) Submit a RN Eligibility Request Form when finished with your pre-occupational classes: <https://www.gntc.edu/rn-eligibility/>.
- 5) Successfully complete the pre-requisites and pass the pre-admission exam.
- 6) All students interested in the ASN Program must attend a mandatory group advisement session once they have officially been accepted by the college and have chosen Nursing. Dates and times can be found on the [RN Department Website](#).
- 7) Math and science courses must be current within 5 years.

Class Acceptance

The ASN program is a competitive admission program. ASN classes are accepted once a year during the fall semester. Class acceptance is based on a point* system consisting of the pre-occupational curriculum grades and the HESI pre-admission scores.

The program requires a GPA of 3.0 or higher on the pre-occupational curriculum as well as passing all sections of the HESI pre-admission exam. Therefore, students will want to strive for higher scores in the pre-occupational curriculum and on the HESI pre-admission exam.

Once accepted into the program, it will take a student under two years to complete.

*Additional points will be added to the admission score for students who hold a currently valid Healthcare degree, certificate, or license.

Deadlines Dates:

If you wish to be considered for the Fall ASN class that begins in August, you must have **ALL** the pre-occupational curriculum completed, as well as the HESI pre-admission exam and your group advisement attendance by **June 15th** of that year.

ASN Program HESI Pre-Admission Exam:

More information on the HESI pre-admission exam, including study information, score requirements, and testing options, should be obtained from Michelle Sevy-Spears, msevy@gntc.edu.
