

Auto Collision Repair (ACR2)

Diploma eMap

This eMap, along with regular meetings with your program advisor and using DegreeWorks, will help you remain on track to finish your program as quickly as possible and graduate from Georgia Northwestern Technical College. This eMap is intended to be used when beginning the program in Fall semester. Starting the program in Spring or Summer semesters may alter the suggested courses or course availability. This pathway is based on the 2026-2027 academic year.

Please note: This eMap is designed with a Spring semester start and includes all specialization courses. Students are only required to select ONE specialization to complete the Diploma, however, based on the timing of specialization courses students can complete all specializations in four semesters. Page 2 of the eMap can be utilized if student prefers to complete one specialization.

1 st set of suggested courses			
Course		Hours	Completed
ACRP 1000	Introduction to Auto Collision Repair	4	☐
ACRP 1005	Automobile Component Repair and Replacement	4	☐
ACRP 1010	Foundations of Collision Repair	5	☐
ENGL 1005	Applied Technical Communication	3	☐

ACRP 1000 serves as a pre-requisite for other ACRP courses.

2 nd set of suggested courses			
Course		Hours	Completed
ACRP 1015	Fundamentals of Automotive Welding	4	☐
ACRP 1017	Mechanical and Electrical Systems I	4	☐
ACRP 1019	Mechanical and Electrical Systems II	5	☐
EMPL 1000	Interpersonal Relations and Professional Development	2	☐

3 rd set of suggested courses			
Course		Hours	Completed
ACRP 2001	Introduction to Auto Painting and Refinishing	5	☐
ACRP 2002	Painting and Refinishing Techniques	5	☐
ACRP 2009	Refinishing Internship (Prerequisite: ACRP 1000)	2	☐
MATH 1012	Foundations of Mathematics	3	☐

4 th set of suggested courses			
Course		Hours	Completed
ACRP 2010	Major Collision Repair (Prerequisite: ACRP 1000)	5	☐
ACRP 2015	Major Collision Replacements (Prerequisite: ACRP 1000)	5	☐
ACRP 2019	Major Collision Repair Internship (Prerequisite: ACRP 1000 / Corequisite: ACRP 2010 and ACRP 2015)	2	☐
COMP 1000	Introduction to Computer Literacy	3	☐

Total Credit Hours: 37 Minimum Credit Hours Required for Graduation

Auto Collision Repair Diploma Program Planning Notes:

- Courses for this Diploma are offered at the Floyd County Campus.
- If courses are completed in the order as listed on this eMap (page 1 only), student will earn the following certificates, in addition to the Diploma:
 - (1) Automotive Refinishing Assistant I (ARA1) Certificate at the end of the 1st set
 - (2) Automotive Collision Mechanical/ Electrical Helper (AH71) Certificate and Automotive Collision Repair Assistant I (AB51) Certificate at the end of the 2nd set
 - (3) Automotive Refinishing Assistant II (AP71) Certificate at the end of the 3rd set
- The Program Advisor for ACR2 is Steven Abrams, sabrams@gntc.edu.

Additional information for the Auto Collision Repair Diploma and program requirements can be found at [GNTC 2026-2027 Catalog](#).

Auto Collision Repair (ACR2)

Diploma eMap

This eMap, along with regular meetings with your program advisor and using DegreeWorks, will help you remain on track to finish your program as quickly as possible and graduate from Georgia Northwestern Technical College. This eMap is intended to be used when beginning the program in Fall semester. Starting the program in Spring or Summer semesters may alter the suggested courses or course availability. This pathway is based on the 2026-2027 academic year.

Please note: This eMap should be used if student selects one specialization to complete (only one specialization is required to receive Diploma). Page one of this eMap should be utilized by students choosing to complete all specializations.

OCCUPATIONAL CURRICULUM (20 Credit Hours)

Please note: It is best for students to begin the Auto Collision Repair Diploma courses in either Fall or Spring semester. Diploma completion may depend on the timing of Specialization course offerings. Students must select one Specialization to complete this Diploma.

1st set of suggested courses			
Course		Hours	Completed
ACRP 1000	Introduction to Auto Collision Repair	4	☐
ACRP 1005	Automobile Component Repair and Replacement	4	☐
ACRP 1010	Foundations of Collision Repair	5	☐

2 nd set of suggested courses			
Course		Hours	Completed
ACRP 1015	Fundamentals of Automotive Welding	4	☐
COMP 1000	Introduction to Computer Literacy	3	☐

Students should select a Specialization to complete. If Specialization courses are available, they can be added to this set. Any remaining Specialization courses should be completed in a 3rd set/semester.

BASIC SKILLS COURSES (8 Credit Hours)

Please note: Basic Skills Courses can be completed during any semester that student has hours available.

Course		Hours	Completed
ENGL 1005	Applied Technical Communication	3	☐
EMPL 1000	Interpersonal Relations and Professional Development	2	☐
MATH 1012	Foundations of Mathematics	3	☐

Total Credit Hours: 37 Minimum Credit Hours Required for Graduation

AUTO COLLISION REPAIR SPECIALIZATIONS

Please note: Students must complete one of the following specializations to complete this Diploma. Specializations are offered specific semesters, as noted below. If available, Specialization courses may be added into the 2nd set of suggested courses and completed in a 3rd set.

Refinishing Specialization (12 Credit Hours)			
Course		Hours	Completed
ACRP 2001	Introduction to Auto Painting and Refinishing	5	☐
ACRP 2002	Painting and Refinishing Techniques	5	☐
ACRP 2009	Refinishing Internship (Recommended Course)	2	☐

Courses for this specialization are only offered in Fall semester.

Major Collision Repair Specialization (12 Credit Hours)			
Course		Hours	Completed
ACRP 2010	Major Collision Repair (Prerequisite: ACRP 1000)	5	☐
ACRP 2015	Major Collision Replacements (Prerequisite: ACRP 1000)	5	☐
ACRP 2019	Major Collision Repair Internship (Recommended Course; Prerequisite: ACRP 1000 / Corequisite: ACRP 2010 and ACRP 2015)	2	☐

Courses for this specialization are only offered in Spring semester.

Mechanical / Electrical Helper Specialization (9 Credit Hours)			
Course		Hours	Completed
ACRP 1017	Mechanical and Electrical Systems I	4	☐
ACRP 1019	Mechanical and Electrical Systems II	5	☐

Courses for this specialization are only offered in Summer semester.

Additional information for the Auto Collision Repair Diploma and program requirements can be found at [GNTC 2025-2026 Catalog](#).
