

# Automotive Refinishing Assistant I (ARA1)

## Certificate eMap

*This eMap, along with regular meetings with your program advisor and using DegreeWorks, will help you remain on track to finish your program as quickly as possible and graduate from Georgia Northwestern Technical College. This eMap is intended to be used when beginning the program in Fall semester. Starting the program in Spring or Summer semesters may alter the suggested courses or course availability. This pathway is based on the 2026-2027 academic year.*

| 1 <sup>st</sup> set of suggested courses |                                             |       |                          |
|------------------------------------------|---------------------------------------------|-------|--------------------------|
| Course                                   |                                             | Hours | Completed                |
| ACRP 1000                                | Introduction to Auto Collision Repair       | 4     | <input type="checkbox"/> |
| ACRP 1005                                | Automobile Component Repair and Replacement | 4     | <input type="checkbox"/> |
| ACRP 1010                                | Foundation of Collision Repair              | 5     | <input type="checkbox"/> |

**Total Credit Hours: 13 Minimum Credit Hours Required to Complete Certificate**
