## Mission Statement

The ASN program is dedicated to supporting the overall mission of GNTC, a unit of the TCSG, which is to provide quality technical education and workforce development opportunities supporting student success throughout the communities of northwest Georgia. The primary mission of the ASN program is to assist in meeting the increasing healthcare needs of North Georgia, a medically underserved area, by providing the necessary knowledge, skills, and attitudes to practice competently and safely as an entry-level nurse generalist in a variety of settings after passing the NCLEX-RN.
