

Diesel Engine Service Technician (DE21)

Certificate eMap

This eMap, along with regular meetings with your program advisor and using DegreeWorks, will help you remain on track to finish your program as quickly as possible and graduate from Georgia Northwestern Technical College. This eMap is intended to be used when beginning the program in Fall semester. Starting the program in Spring or Summer semesters may alter the suggested courses or course availability. This pathway is based on the 2025-2026 academic year.

1 st set of suggested courses			
Course		Hours	Completed
DIET 1000	Introduction to Diesel Technology, Tools, and Safety	3	☐
