

# Basic Mechatronics Specialist (MS41)

## Certificate eMap

*This eMap, along with regular meetings with your program advisor and using DegreeWorks, will help you remain on track to finish your program as quickly as possible and graduate from Georgia Northwestern Technical College. This eMap is intended to be used when beginning the program in Fall semester. Starting the program in Spring or Summer semesters may alter the suggested courses or course availability. This pathway is based on the 2026-2027 academic year.*

| 1 <sup>st</sup> set of suggested courses |                     |       |                          |
|------------------------------------------|---------------------|-------|--------------------------|
| Course                                   |                     | Hours | Completed                |
| AUMF 1120                                | Program Controllers | 5     | <input type="checkbox"/> |
| IDSY 1112                                | Motor Controls I    | 4     | <input type="checkbox"/> |

**Total Credit Hours: 9 Minimum Credit Hours Required for Graduation**

### Mechatronics Specialist Certificate Planning Notes:

- Courses for this Certificate are offered at the Floyd County Campus and the Catoosa County Campus.
- Availability to offer this certificate will depend on class load and available instructors. May not be offered each academic year.
- In the case that the required program classes are not listed on the schedule, students will need to speak with Cody Holloway and Wesley Runyon concerning comparable coursework and programs that are currently being offered.
- All courses can be taken during any available semester where course is available.
- The Program Advisor for MS41 at the Floyd County Campus is Wesley Runyon, [wrunyon@gntc.edu](mailto:wrunyon@gntc.edu)
- The Program Advisor for MS41 at the Catoosa County Campus is Cody Holloway, [cholloway@gntc.edu](mailto:cholloway@gntc.edu)
