

Programmable Control Technician II (PC91)

Certificate eMap

This eMap, along with regular meetings with your program advisor and using DegreeWorks, will help you remain on track to finish your program as quickly as possible and graduate from Georgia Northwestern Technical College. This eMap is intended to be used when beginning the program in Fall semester. Starting the program in Spring or Summer semesters may alter the suggested courses or course availability. This pathway is based on the 2026-2027 academic year.

1 st set of suggested courses		
Course	Hours	Completed
IDSY 1113 Motor Controls II	4	☐

The 1st set of suggested classes are offered in Spring semester.

2 nd set of suggested courses		
Course	Hours	Completed
IDSY 1230 Instrumentation	4	☐

The 2nd set of suggested classes are offered in Fall semester.

Total Credit Hours: 8 Minimum Credit Hours Required to Complete Certificate

Programmable Control Technician II Certificate Program Planning Notes:
