

Vascular (VA13)

Associate of Applied Science eMap

This eMap, along with regular meetings with your program advisor and using DegreeWorks, will help you remain on track to finish your program as quickly as possible and graduate from Georgia Northwestern Technical College. This eMap is intended to be used when beginning the program in Fall semester. Starting the program in Spring or Summer semesters may alter the suggested courses or course availability. This eMap is based on the 2026-2027 academic year.

Please note: Pre-occupational curriculum must be completed by the end of the spring semester in order to be eligible to compete for Vascular program entry. For either track, students should keep in mind the competitive admissions requirements and select the track that will allow the best rate of success. Any variation to the tracks may result in an extended wait period to compete for the program.
