

Spring Semester 2026 Workshop Schedule

Academic Support Center

Term	Start Date	End Date	Date Last Updated
202614	January 12, 2026	May 6, 2026	January 7, 2026

Workshops Currently Scheduled or Planned for the Spring Semester

Writing Workshops

Repeat Offenders: What keeps coming up in the tutoring lab

This workshop will review the most commonly seen grammar and punctuation errors that tutors see when reviewing student writing assignments. Students who attend will learn valuable information, as well as tips on how to find and correct their writing errors.

Session 1: To be determined. Currently enrolled students will receive an email with specific dates, times, and details.

Math Workshops

Ti-30X IIS Calculator Basics

This workshop will review the most commonly used keys and functions of the TI-30X IIS calculator.

Session 1: Date to be determined. Currently enrolled math students will receive an email with specific dates, times, and details.

Ti-84 Calculator Basics

This workshop will review the most commonly used keys and functions of the TI-30X IIS calculator.

Session 1: Date to be determined. Currently enrolled math students will receive an email with specific dates, times, and details.

If you have any questions or would like to request a workshop on a specific topic, please contact [Marty Moorehead](#), the Academic Support Coordinator.

GNTC is a unit of the Technical College System of Georgia and an Equal Opportunity Institution.
