All GNTC students may seek Tutoring assistance with many of their classes in one of three ways.

- Students may access a GNTC tutor through the online Academic Support Center (ASC) Virtual Lab within Blackboard.
- Students may seek assistance at any on-campus Academic Support Center Tutoring Lab.
- When the Academic Support Center Virtual Lab is closed, students may seek assistance for their online classes, including hybrid and web-assisted, from NetTutor. If your class is supported by NetTutor, your instructor may provide a link to NetTutor within your Blackboard class navigation panel.
- To view instructions on self-enrolling in to the ASC organization, view the on-campus tutoring lab schedules, view the instructions for making an on-campus appointment, or find answers to frequently asked questions, visit the [Academic Support Center homepage](#).
